While the applicant has made an attempt to response. There is an attorney of record, who MUST sign the amendment. The applicant assigned this to customer number 31967 (Edmond Lee) in the power of attorney of 08/03/07. If the applicant wishes to file pro se (on their own behalf), they should revoke all powers of attorney (all the applicants should sign this revocation). Then an applicant, such as Dr. Moser can sign the amendment. and prosecute the application on their own behalf. The comments should be on their OWN pages, the claims on their OWN pages and any further remarks/arguments on their OWN pages and NO page should have more than one of these categories.
